Strangers and Angels.

Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it. (Hebrews 13:2)

When I was a child, my family used to tease that 'Karen brought home all the waifs and strays' this was because I rescued lost dogs, injured birds, I chatted to passers-by, and I invited children home from school who few others would be friends with. I wonder why I did that? Well, I can tell you it was because I had a role model. My Mum showed me how to care. When I came home from school with one of these friends, it was Mum who made sure they were well fed at our house and who contacted the parent.

This verse from Hebrews was a favourite of hers. Every time I read it; I am reminded of her. I don't know whether we ever entertained an angel, but I do know that Mum practised generous Christian loving and showed her faith through her love towards others whoever they may be. Sometimes her response was to something she had read in the paper or heard on the radio, sometimes it was something she had heard about at church, sometimes it was response to a family local to us or to strangers passing through. They could be anyone, from anywhere. They could look odd, they could be down and out, or be followers of different religions. But she knew what she should do and did it with love.

How can we apply this to ourselves this summer? It has been difficult to invite others into our homes over the past eighteen months and we have had to find other ways to keep in touch. Hopefully, we are now able to entertain again.

Who will you invite?

Who will you share with?

Are they strangers to you?

As a church we can be generous and show a loving faith through our hospitality towards others. Who do we invite to church? How do we treat strangers who come? How do we spread our generosity beyond our church out into the village? Or out into the world? How generous are we then? Does our hospitality bear witness to our faith?

Hopefully, in August we will have a '**Picnic Praise**' which will follow on from the morning service. All are invited to come to share. **Picnic Praise** begins about 12 Noon. There is no need to have attended the morning service beforehand. There is no cost – just turn up with your picnic and share in the hospitality.

And while you are there.....do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it.

Revd Karen

VILLAGE HALL

As things (hopefully!) continue to improve and we start to feel safer, the Village Hall will be a focus for events again.

Bookings for the Hall will be subject to the prevailing Covid restrictions; it will be cleaned before/after each event and sanitising equipment is installed in the hall.

There is also a new heating system!

If you'd like to book the Hall please contact Penny Allington (664900) for availability.

We look forward to seeing you around!

WE CAN ALL HELP—to make our lanes and village safer for everyone!

All drivers can play a part in preventing tragedies, by committing to slowing down and **never** using a phone while driving. The roads in our area are busier than ever but we have a lot of walkers, cyclists and horse-riders.

Please BEWARE and be AWARE!

Nearly 60% of fatalities occur on rural roads—a shocking statistic.

The Parish Council is committed to pushing for traffic calming measures and improved road safety but safety will only happen with the co-operation of all of us as drivers and road users.

Please do **NOT** attempt to use the village play area roundabout; it has been inspected and considered **dangerous** for users. Blocks to prevent its use have been re-installed. Be patient—a new play area is coming!!

WE HAVE A CHURCH FACEBOOK PAGE.

If you have Facebook please give us a 'like'. Simply search for 'Marbury Church' or 'St Michael's Church, Marbury' to find us.

DOG FAECES AND DISEASES

We would like to raise awareness to dog owners/ dog walkers of the health risks and dangers to others of non-disposal of dog waste.

Dog fouling is unsightly, unhygienic and poses a health hazard to people by the transference of worm eggs that can lead to Toxocariasis.

Toxocariasis usually affects young children but cases have been reported in people of all ages. Young children are most at risk because they are more likely to put things into their mouths. When people (especially children) touch soil, dog toys or anything that has been in contact with dog faeces and then touch their mouths, they can become infected.

Owners should also clean up when dogs are walked in fields; if their faeces get into cattle feed this can cause a serious illness, Neosporosis, which causes cows to abort their calves meaning that the cow cannot produce enough milk, it becomes uneconomic to keep, and results in the cow having to be destroyed.

These diseases can be controlled if dog faeces are disposed of immediately in a responsible manner.
