

Dear friends,

The Merry month of May is with us and with it a new chapter of history as we bear witness to the Coronation of a new Royal King.

I believe King Charles III would love to see his subjects observing the things that make our country good and events like Merry Days are a wonderful example of such, because they offer a time of social gathering and enjoyment at the grass roots of it all.

Once again, this small rural community works together to offer a warm welcome to all our visitors, sharing one of the most beautiful places in Cheshire with all who come, and offering simple but delightful entertainment and I thank every one of them...

From ice cream to a traditional English tea tent, to dancing around a Maypole, to man's best friend being awarded rosettes, to the quiet reflection of our medieval church, to a peaceful moment with God by the mere, we have it all!

So, enjoy every moment as another Merry Days weekend comes and goes, and thank you, thank you for being here and sharing it with us...

Long may it reign...

Rev'd Veronica x
