Dance then, wherever you may be...

'Our senses are constantly bombarded, and yet we miss most of what happens around us. It goes by us, past us, over our heads. We attend only to a fraction, a tiny fraction, of what we might.

Then something strikes us. We don't know why, but we are paying attention and this thing, event or reality or whatever, begins to matter. This is a blessing: this thing, whatever it is, that is drawing us out of ourselves. Melting our loneliness and forging some kind of connection, making a pathway for sharing with others.'

'Rain, for instance' says Stephen Cherry, 'I always disliked the sound of rain, it reminded me of schooldays and wet breaks inside the classroom, until someone suggested that that it's drumming sound was a kind of music, a dance even, and that I should listen to it.'

It is suggested, from a psychological view, that our way of responding to things is *fight* or *flight*, but recently two new words have been added to this concept about the human condition: *freeze* and *fawn*. These interesting words represent two other ways of responding that perhaps reflect today's pressures, culture, and society. *Freeze* amounts to being numb and immobilized, where you cannot think or act. *Fawn* is about our wanting to avoid conflict, ensuring safety by appeasing or complying and sacrificing our own needs to keep the peace.

I suggest the greatest threat to our well-being and good health in our time is the condition of our minds. The brain is the hard drive of our body, and it is beaten to death every day by the amount of information we believe we are to take in. None of us can escape.

The story of Jesus in the garden of Gethsemane, asking his closest friends to walk through this journey to the cross alongside him, is a beautiful example of this for all involved. The disciples could not stay awake with him and eventually flee from the impending danger of the Romans. And we are told that Jesus Himself, sweat drops of blood so tangible was the fear of what was coming.

Easter is the time we celebrate the Hope that Jesus brought and continues to bring us all!

He overcame fear—not by flight, not by freezing or fawning, but by **love, grace, and understanding**. God became one of us—one of His created beings—and now, as a fully thinking, feeling, experiencing person, He has made a way to rescue us.

Body, mind, and spirit: learn to dance. Allow your spirit to engage with the life God promises you. The truth will set you free—to dance your way through life.

Easter Blessings to all...

Revd. Veronica. X

MERRY DAYS MEETING – TUESDAY 28th APRIL 2026

The next – and final ! – meeting before the big event itself will be on Tuesday 28th April, at 7 pm in the Village Hall – please put this in your diaries. Even if you haven't been able to get to any of the other meetings please try to come to this one – everyone's welcome, and it's never too late for offers of help!

The Sealed Knot and their followers will be making a welcome return with their displays of skirmishes between Cavaliers and Roundheads. The “big bangs” will be on the Saturday, so that dog owners can bring their dogs along on a quieter Sunday for the Fun Dog Show which Steve Leonard has again kindly agreed to judge for us. Of course Merry Days wouldn't be the same without Pinxton Puppets, and the display of classic cars promises to be bigger and better than ever this year.

MARBURY MERRY DAYS - Saturday & Sunday,
9th & 10th May

Merry Days weekend is only a few weeks away - and it will be lovely to see as many of you as possible over the weekend, together with your families and friends.

Please remember that all contributions will be very gratefully received for the following stalls:-

Plants - The Plant Stall - which has always been a major attraction as well as a major fund-raiser over the years but, of course, it has to have plants to sell so please start taking cuttings, and generally looking out for flowers, fruit or vegetable plants that you would be happy to donate. Please bring your pots etc. to the field (outside the Tea Tent at the Vicarage end!) on Friday evening or early Saturday morning.

Cake Stall - Jeanette Lawson (07795 171913 - jeanettelawson@hotmail.com) and Meryl Zawistowicz (07966 179732 - welcome@brightwater.com) have very kindly agreed to co-ordinate arrangements again this year. Of course, it's very important that we have cakes to sell! If you are willing to do some baking for the stall please let Jeanette or Meryl know. All contributions will be very gratefully received - sponges, flap-jacks, fruit cake, scones (savoury or sweet) and anything else - but no fresh cream please.

Refreshments - Ursula Stoddart (666109) would love to receive cakes, biscuits and offers of help for the tea tent.

Tombola - prizes to Bev & Frank Tanner (666036) or Carol Sheard (663087) please.

Bric-a-Brac - please bring contributions to the top end of the Tea Tent on Friday evening, or Saturday morning as early as possible. We have no stock at all for the stall and this year we're starting from scratch - so your unwanted items and books will be even more welcome than usual!

and finally ! - Kathy Johnson is having a pre-loved home goods and clothing stall and will be delighted to receive items in good condition (clothes clean and pressed please!). Please ring Kathy to arrange drop-off - 07770 338070.

MARBURY CALENDAR FOR 2027

A reminder that we're planning to print a Marbury Calendar for 2027, featuring of course photographs of our lovely village and the wildlife we see. So keep snapping – we'll need Autumn, Winter, Spring and Summer photos. Details of where and when to send them will be announced in the June/July 2026 Parish magazine.

Village Emergency Telephone System (VETS) -
for defibrillator or other community emergency:
First ring **999** then Marbury: 01948 302103
Norbury: 01948 302707

Information provided by Able Community Care, Norfolk.

Shopmobility Centres offer mobility equipment which can be hired, to enable people with mobility problems to shop more easily, in the local area. Equipment can include: mobility scooters, powered and manual wheelchairs, rollators, etc.

The majority of centres are registered charities. It is advisable to book equipment in advance, and you can find details of the 120+ locations on their website www.shopmobilityuk.org. Some locations have Accessibility Parking.

For an older person who needs support of any kind to remain as independent as possible, the first thing to do is to contact Social Services and ask for a free Care Needs Assessment.

Following an assessment, Social Services may make an appointment for an Occupational Therapist (OT) to visit before deciding what aids or adaptations are needed. Social Services can provide free equipment and funds for minor adaptations up to £1000 in England and Wales. For major adaptations, it may be possible to apply for a Disabled Facilities Grant, if you are eligible.

If you receive a suspicious call about your bank account or finances, hang up immediately and dial 159. This free service, now available to 27 UK banks and building societies, covering over 99% of UK current accounts, connects you directly to your bank's fraud team, helping protect you from financial scams.

Fraudsters often create a sense of urgency, pressuring you to move money or share personal details quickly. Remember - your bank will never ask you to transfer money to a 'safe account' or pressure you into making immediate decisions.

If in doubt, always hang up and call 159 to verify whether the call was genuine. Since its launch in 2021, over one million calls have been made to 159 so taking a moment to check could save you from significant financial loss.

Pharmacy First is an NHS England initiative whereby you can walk into your local community pharmacy and ask for a private consultation with a pharmacist. They can assess symptoms, give advice, and, in some cases, provide NHS treatment — all without needing to see a GP first.

This is especially helpful for: Older adults needing quick advice; Families with children who are unwell; Carers supporting relatives.

There are over 10,000 participating pharmacies in England, meaning most local pharmacies can offer this service.

Just go in and ask: “Can I have a **Pharmacy First** consultation, please?”

PARISH COUNCIL

The meeting on Thursday, 19th March, heard an update on C.E. activities regarding highways matters in the parish, provided by Borough Councillor James Pearson. Ongoing areas of concerns were discussed.

Nigel Green and Lyndon Jones were co-opted on to the Parish Council, filling vacancies created by the resignations of John David and Tracy Leese Wright.

Quotations for the replacement of the P.C. noticeboard were considered; it had been agreed to re-locate this to the Village Hall grounds. A bench, for walkers, had been suggested for the canal bank, near to Steer Bridge; unfortunately the Canals & River Trust cost would be £4,000.

Residents are welcome to attend meetings; however, if you wish to speak at the meeting, please contact the Chair or the Clerk beforehand. Public speaking time is limited and only Councillors may take part in discussions/decisions. Agenda and Minutes can be viewed on the Parish Council website: www.marburyanddistrict.org.uk
